PARTNERSHIPS AND NETWORKS (required): What partnerships and networks does your organization participate in, thus strengthening the global movement for a culture of peace?

ACTIONS (required): What activities have been undertaken by your organization to promote a culture of peace and nonviolence during the ten years of the Decade, 2001-2010? Note: If you already made a report in 2005, you do not need to repeat information about actions from 2001-2005. The information from 2005 will be included in the 2010 report. (You may write up to 2500 words and the space here will expand if necessary to accept your report.)

PROGRESS (required): Has your organization seen progress toward a culture of peace and nonviolence in your domain of action and in your constituency during the second half of the Decade? (Please do not exceed the space provided here for your response.)

OBSTACLES (required): Has your organization faced any obstacles to implementing the culture of peace and nonviolence? If so, what were they? (Please do not exceed the space provided here for your response.)

PLANS (optional): What new engagements are planned by your organization in the short, medium and long term to promote a culture of peace and nonviolence? (Please do not exceed the space provided here for your response.)

GLOBAL MOVEMENT (optional): How do you think the culture of peace and nonviolence could be strengthened and supported at the world level? (Please do not exceed the space provided here for your response.)

PHOTO (optional): Please send us a photo to illustrate your organization's actions, and we will then put it in this space. We prefer to receive a photo by e-mail in a gif or jpg format (500 pixels wide). Send it to photo@decade-culture-of-peace.org. You may also send a photo by mail to PO box 2305, Branford, CT 06405, USA. Be sure to include a detailed caption that explains the photo.

In submitting this information I agree that the information that I have entered will be freely accessible to anyone connected to the Internet and that it may be cited or quoted as long as the source is accurately mentioned and the words are not taken out of context.
